RE: **HSBC ETFs PLC**

Notification of an extraordinary general meeting to consider and, if thought fit, approve proposed amendments to the constitution of the Company

18 July 2025

Dear Shareholder,

1. INTRODUCTION

The Company is authorised by the Central Bank as an open-ended investment company with variable capital incorporated under the laws of Ireland as a public limited company pursuant to the Companies Act 2014 and the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011 (as amended) (the “**UCITS Regulations**”). The Company is organised as an umbrella fund with segregated liability between sub-funds.

The purpose of this Circular is to notify you of an extraordinary general meeting (“**EGM**”) to consider and, if thought fit, approve proposed amendments to the constitution of the Company (the “**Constitution**”) (the “**Amendments**”).

2. THE AMENDMENTS

Please note that the Amendments will not impact you as a Shareholder in the Funds unless you subscribe for Non-ETF Shares in the Funds if and when such Non-ETF Shares become available. For the avoidance of doubt, Non-ETF Shares will not be established in any Fund with exposure to US equity securities regardless of the level of that Fund’s exposure to such securities.

It is proposed to amend the Constitution to:

1. facilitate the establishment of unlisted shares in the Company, requiring the introduction of “ETF Shares” and “Non-ETF Shares” as defined terms;
2. reflect the different quorum requirements for general meetings of the Company and any sub-fund thereof in circumstances where ETF Shares and/or Non-ETF Shares are in issue as follows:
 - a. in respect of a general meeting of the Company where both ETF Shares and Non-ETF Shares are in issue, the quorum shall be two Shareholders present in person or by proxy;
 - b. in respect of a general meeting of the Company where only ETF Shares are in issue, the quorum shall remain one Shareholder present in person or by proxy;
 - c. in respect of a general meeting of one or more sub-funds of the Company where both ETF Shares and Non-ETF Shares are in issue, the quorum shall be two Shareholders present in person or by proxy; and
 - d. in respect of a general meeting of one or more sub-funds of the Company where only ETF Shares are in issue, the quorum shall remain one Shareholder present in person or by proxy; and
3. permit the application of swing pricing to mitigate the effect of dealing costs on the Net Asset Value per Share of a Fund as a result of net subscriptions and net redemptions. For the

avoidance of doubt, swing pricing will only apply to Non-ETF Shares and will not be applied to any ETF Shares or Shareholders who continue to hold only ETF Shares should the Amendments be approved.

The text of the Amendments, including the definitions of ETF Shares and Non-ETF Shares, can be found at **Appendix I** in red.

Investors should note that:

Shareholders will not bear any additional legal or administrative costs as a result of the proposed Amendments.

Subject to Shareholder approval being obtained, the Amendments will take effect on or around 15 September 2025 (the “**Effective Date**”).

Rationale:

The Directors, in consultation with the Management Company, have determined to establish Non-ETF Shares in the Company to facilitate the purchase by both prospective and existing investors of Non-ETF Classes in certain sub-funds of the Company with a view to providing access to the investment strategy of those sub-funds without some of the characteristics of a ETF Shares. The Directors and the Management Company believe that the addition of Non-ETF Shares will increase the distribution potential of the Company, increasing assets and benefitting all Shareholders.

The quorum requirements proposed for the Constitution reflect the fact that, unlike the ETF Shares which settle via the International Central Securities Depository (“**ICSD**”), the person that subscribes for Non-ETF Shares will be the legal shareholder of such shares. In the case of the ETF Shares, the sole legal shareholder is and will continue to be HSBC Issuer Services Common Depository Nominee (UK) Limited as the common depository nominee.

It is proposed to introduce the flexibility to apply swing pricing to adjust the Net Asset Value per Share for certain dealings in Shares as swing pricing has been determined as the most effective anti-dilution measure for the Non-ETF Shares. **For the avoidance of doubt, swing pricing will not be applied to the ETF Shares as the anti-dilution measures for these Shares are dealt with by way of the duties and charges provisions.**

Recommendation:

The Directors believe that the Amendments are in the best interests of Shareholders and, accordingly, the Directors recommend that Shareholders vote in favour of the resolution.

Notice of EGM to Consider and Vote on the Amendment

In order to obtain Shareholder approval for the Amendments, the Directors have decided to convene an EGM which will be held at the registered office of the Company on 15 August 2025 at 12.00pm (Irish time) and at which a resolution to approve the Amendments will be proposed.

Please note that you are only entitled to attend and vote at the EGM (or any adjournment thereof) if you are a registered Shareholder. As the Company uses the ICSD model of settlement and HSBC Issuer Services Common Depository Nominee (UK) Limited is the sole registered Shareholder of Shares, investors in the Company should submit their voting instructions through the relevant ICSD or the relevant participant in an ICSD (such as a local central securities depository, broker or nominee). If any investor has invested in the Company through a broker/dealer/other intermediary, the investor should contact this entity to provide voting instructions.

Proxy Form / Shareholders unable to attend the EGM

The form of proxy accompanying this Circular should be completed and returned in accordance with the instructions thereon, **so as to be received no later than 48 hours before the time fixed for the holding of the EGM.**

Publication of Results

The result of the EGM will be announced through the regulatory news service on the London Stock Exchange website and will be published in an appropriate manner in each of the other jurisdictions in which the Shares are listed on a stock exchange.

3. REDEMPTION OF SHARES

Shareholders who do not wish to remain in the Company following the implementation of the Amendments (if the resolution is passed) will have the opportunity to redeem their Shares on any Dealing Day prior to the Effective Date by contacting the Administrator so that a written redemption request is received by the Administrator by the Dealing Deadline for the relevant Dealing Day.

Should you have any questions relating to these matters, you should either contact us at the above address or alternatively you should contact your investment consultant.

Yours sincerely,

Director
for and on behalf of

currency which is legal tender in the country of issue of that currency). If the Subscription Price of a Share includes an amount which reflects the accrued income of the relevant Fund, then such amount shall, as from the time at which the consideration representing the Subscription Price is recognised as an asset of the Company for the purposes of these Articles, be treated as income of that Fund.

The Directors shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in these Articles) as they may think necessary for the purposes of ensuring that no Shares in the Company are acquired or held by any person in breach of the law or requirements of any country or governmental authority including without limitation of the foregoing any exchange control regulations applicable thereto or by a US Person or by any person in the circumstances described in paragraph (c) of Article 10.3.

To any such

redemption the provisions of Article 11 shall apply subject to Article 10.9 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Article 14.

- 10.6 If a person becomes aware that he is holding or owning Shares in contravention of Article 10 he shall forthwith in writing request the Company to redeem such Shares in accordance with Article 11 or shall transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under Article 10.7.

- 10.9 Settlement shall be effected (subject to any requisite official consents first having been obtained) by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained and, if relevant, against production of the certificate or certificates representing the Shares previously held by such person with the redemption request on the reverse of each duly signed. Any withdrawal of a request for redemption under the provisions of this Article 11.2 shall be made in writing and shall only be effective if actually received by the Company or its duly authorised agent before termination of the suspension. If the request is not withdrawn the redemption of the Shares shall be made on the Business Day next following the end of the suspension or on such other Business Day following the end of the suspension as the Directors at the request of the applicant may agree; and

(g) on a redemption of Shares, the Company shall be entitled to charge such redemption fee, transaction fee or contingent deferred sales charge as may be specified in the Prospectus in an amount to be determined by the Manager or the Company with the approval of the Depositary but not to exceed such amount as the Company may determine in respect of any Series or Class of Shares and disclose in the Prospectus. The maximum redemption fee which may be charged by the Company is 3%. The maximum redemption fee of 3% may only be increased with the prior approval of Shareholders given on the basis of a simple majority of votes cast in a general meeting or the prior written approval of all Shareholders or such other requirement imposed by the Central Bank. In the event of an increase in the redemption fee, a reasonable notification period will be provided by the Company to enable Shareholders to redeem their Shares prior to the implementation of the increase;

(h) The redemption proceeds payable upon the redemption of a Share of any class shall be the Net Asset Value per Share less any Redemption Dividend payable under paragraph (i) below.

11.3 Shares which are redeemed by the Company shall be cancelled.

11.4 The Redemption Price for a Share of any Series or Class shall be the Net Asset Value per Share on the relevant Dealing Day (as determined in accordance with Article 14.1) **and: (i) less** such sum as the Directors, in their absolute discretion, may from time to time determine as an appropriate provision for Duties and Charges in relation to realisation or cancellation of the Share to be redeemed; and/or **(ii) less** such sum as the Directors determine to be an anti-dilution levy necessary to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund in accordance with the requirements of the Central Bank as at the relevant Business Day; **and/or (iii) in the case of net redemptions, applying Swing Pricing**, subject always to the aggregate amount payable on a redemption of Shares being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

11.5 Upon the redemption of Shares being effected pursuant to this Article 11, the applicant Shareholder shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto and such Shares shall be treated as cancelled and the amount of the issued share capital shall be reduced accordingly.

- 11.6 On redemption of part only of the Shares comprised in any certificate the Directors shall procure that, on request, a balance certificate be issued for the balance of such Shares free of charge.
- 11.7 If any Shareholder requests the redemption of Shares for which consideration was provided entirely in the form of cash, and (i) the consent of the redeeming Shareholder is obtained or (ii) the value of such Shares is equal to 5% or more of the number of Shares of a particular Fund on any the relevant Dealing Day, the Directors may at their absolute discretion, distribute underlying investments rather than cash provided that any such distribution shall not materially prejudice the interest of other Shareholders. The asset allocation is subject to the approval of the Depositary. In such circumstances, the relevant Shareholder will have the right to instruct the Directors to procure the sale of such underlying investments on their behalf in which case the Shareholder will receive the proceeds net of all fiscal duties and charges incurred in connection with the sale of such underlying investments. In all other cases, the Directors have absolute discretion to determine whether the redemption will be satisfied by way of transfer of Investments or payment in cash in accordance with Article 11.2 (e) and, if the redemption is satisfied by a transfer of Investments, the asset allocation will be subject to the approval of the Depositary.
- 11.8 If outstanding redemption requests from all holders of Shares of a particular Fund on any Business Day total an aggregate of more than 10% of all the Shares of such Fund on such Business Day, the Company shall be entitled at its discretion to refuse to redeem such number of Shares in issue in that Fund on that Business Day in respect of which redemption requests have been received as the Directors shall determine. If the Company refuses to redeem Shares for this reason, the requests for redemption on such date shall be reduced rateably and the Shares to which each request relates which are not redeemed shall be redeemed on each subsequent Business Day pro rata with any request received thereafter, provided that the Company shall not be obliged to redeem more than 10% of the number of Shares of a particular Fund outstanding on any Business Day, until all the Shares of the Fund to which the original request related have been redeemed. A Shareholder may withdraw his redemption request by notice in writing to the Administrator if the Directors exercise their discretion to refuse to redeem any Shares to which the request relates.
- 11.9 Requests for redemption which have been carried forward from an earlier Dealing Day pursuant to these Articles shall (subject always to the foregoing limits) be complied with in priority to later requests.
- 11.10 Notwithstanding any other provision of these Articles, the Company shall be entitled at any time and from time to time to repurchase any or all of the Subscriber Shares and the Capitalisation Shares at a price of Euro 1.00 per Subscriber Share or Capitalisation Share, as the case may be.
- 11.11 If a redemption of Shares by the Company would result in the number of Shareholders falling below two or such other number stipulated by any applicable statute or regulation from time to time to be the minimum number of Shareholders in the Company or where a redemption of Shares by the Company would result in the issued share capital of the Company falling below such minimum amount as the Company may be obliged from time to time to maintain pursuant to any applicable statute or law the Company shall be entitled to defer the redemption of the minimum number of Shares sufficient to ensure compliance by the Company with the applicable statute or law. Redemption of such Shares may be deferred until such time as the Company is being wound up, or until the Company procures the issue of sufficient Shares to ensure that the redemption can be effected. The Directors shall be entitled to select the Shares in respect of which redemption is to be deferred in accordance with this Article 11.11 in such manner as shall appear to the Directors, with the approval of the Depositary, to be fair and reasonable.
- 11.12 Where satisfaction of a redemption request would result in a Shareholder holding a number of Shares of a particular Series less than or with a value less than the Minimum Holding for that Series, the Directors shall be entitled, at their discretion, to treat the application for redemption as an application for the redemption of all of that

Shareholder's Shares of the relevant Series or to offer the Shareholder an opportunity to amend or withdraw the said redemption request.

- 11.13 The Company may, subject to the prior consent of the relevant Shareholder if the consideration for the Shares to be redeemed by that Shareholder was provided entirely in the form of cash, satisfy any redemption request by the distribution in specie of assets of the Company on such basis as the Directors shall be satisfied does not prejudice the redeeming Shareholder or the remaining Shareholders. The asset allocation is subject to the approval of the Depositary.
- 11.14 Notwithstanding anything in these Articles to the contrary, the Company may at its absolute discretion refuse to satisfy a redemption request or make any other payment to a Shareholder or at the direction of a Shareholder if such payment would result in a breach of the guidelines in operation from time to time in relation to the detection and prevention of money-laundering.

12. Total Redemption

- 12.1 The Company may (but is not obliged to) redeem all (but not some) of the Shares of any Series or Class then in issue in a Fund if (a) the Shareholders of the relevant Fund shall have passed a Special Resolution to approve the redemption of all the Shares of that Series or Class; (b) the redemption of the Shares in that Series or Class is approved by a resolution in writing signed by all of the holders of the Shares in that Series or Class in the relevant Fund (c) the Directors deem it appropriate because of adverse, political, economic, fiscal or regulatory changes affecting the relevant Series or Class (d) the Net Asset Value of the relevant Fund falls below such amount as the Directors may determine and specify in the Prospectus (e) the Shares in the relevant Fund cease to be listed on any stock exchange on which they are listed (f) the Directors deem it appropriate for any other reason; or (g) a period of ninety days has expired since the date on which the Depositary served notice of retirement on the Company or the date on which notice of the termination of the appointment of the Depositary is served on the Depositary by the Company or since the date on which the Depositary ceases to be qualified to act as Depositary under the Regulations and no replacement Depositary has been appointed by the Company.

In each such case, the Shares of the relevant Series or class shall be redeemed after giving such days prior notice as may be required by law to all holders of such Shares or such longer period as the directors may determine. The redemption of the Shares by the Company pursuant to this Article 12.1 shall be effected at the repurchase price calculated in accordance with Article 12.2 hereof and for the purposes of the calculation of the said Redemption Price the Business Day on which the Shares are repurchased shall be the relevant Business Day for the purposes of Article 12.2 hereof.

- 12.2 The redemption price per Share at which Shares shall be redeemed by the Company pursuant to this Article 12 shall be the Net Asset Value per Share as at the relevant Business Day (as determined in accordance with Article 14) less such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in relation to the realisation or cancellation of the Share to be repurchased and subject always to the aggregate amount payable on a redemption of Shares being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). Subscriber Shares and Capitalisation Shares may be redeemed by the Company pursuant to this Article 12 for Euro1.00 per Subscriber Share or Capitalisation Share.
- 12.3 If all the Shares of a Series are to be redeemed as aforesaid the Directors may, at their absolute discretion divide amongst the Shareholders of that Series in specie all or part of the assets of the Company attributable to that Series according to the number of the Shares then held by each person holding Shares of that Series provided however that if any Shareholder so requests the Directors shall liquidate or otherwise dispose of

sufficient assets in order to enable the Company to distribute the cash proceeds thereof, net of liabilities, to such Shareholder instead of a distribution of assets in specie.

- 12.4 If all the Shares are to be repurchased as aforesaid and the whole or any part of the business or property of the Company or any of the assets of the Company are proposed to be transferred or sold to another company (hereinafter called the "Transferee") the Directors may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee for distribution among the Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.

13. Series Conversions

- 13.1 Subject to Articles 11 and 14 hereof and as hereinafter provided a holder of Shares of any Series or any Class (the "Original Series or Class") on any Business Day shall have the right to exchange any or all such Shares for Shares of another Series or Class (the "New Series or Class") (such Series or Class being either an existing Series or Class or a Series or Class agreed by the Directors to be brought into existence with effect from that Business Day) on the following terms:

(a) A Shareholder may effect a conversion by notice in writing to the Company in such form as the Directors may from time to time determine or approve (a "Conversion Notice").

(b) Conversion of the Shares specified in the Conversion Notice pursuant to this Article shall occur with effect from the Business Day on which the Conversion Notice is accepted by the Company or the Administrator as its authorised agent (or such other times as the Directors may, determine either generally or in relation to a particular Series or Class of Shares and specify in the Prospectus, or permit in any specific case).

(c) Conversion of the Shares of the Original Series or Class specified in the Conversion Notice shall be effected by treating the Conversion Notice as a redemption request form in respect of the Shares of the Original Series or Class and as an application form in respect of Shares of the new Series or Class provided always that the right of a Shareholder to convert its Shares into Shares of another Series or Class conferred by this Article shall be conditional upon the Company having sufficient available share capital to enable the conversion to be implemented in accordance with the provisions of this Article.

(d) The Directors shall be entitled to impose an exchange charge relating to the conversion in an amount not greater than the sum of:

(i) any initial charge or transaction fee which the Company would be entitled to charge under Article 8.10 in relation to the Shares of the New Series or Class; and

(ii) any redemption fee, transaction fee or contingent deferred sales charge which the Company would be entitled to charge under Article 11.2(g) in relation to the Shares of the Original Series or Class;

(e) The conversion of the Shares of the Original Series or Class specified in the Conversion Notice into Shares of the New Series or Class shall take place on the relevant Business Day as determined in accordance with Article 12.00 (b), and the Shareholder's entitlement to Shares as recorded in the Register shall be altered accordingly with effect from that date.

(f) On conversion, the Directors will redeem, cancel and issue share certificates where appropriate in accordance with the Shareholder's entitlement to Shares in certificated form of each Series.

(g) The Directors shall, at their discretion, be entitled to refuse an application for conversion where such conversion would result in a Shareholder holding Shares of any Series with a value less than the Minimum Holding for that Series and where the value of any holding of Shares of any Class falls below the Minimum Holding for that Class, the Directors may require the mandatory conversion of that holding into Shares of another Class in that Series.

(h) If the number of Shares of the New Series of Class to be issued on conversion is not an integral number of Shares, the Company may issue fractional new Shares or return the surplus arising to the Shareholder seeking to convert the Shares of the Original Series or Class.

14. Determination of Net Asset Value

14.1 The Company or its duly appointed agent shall determine the Net Asset Value per Share in each Fund expressed in the Base Currency of the relevant Series to such number of decimal places as the Directors may in their discretion determine, by ascertaining on each Dealing Day the value of the assets of the Fund to which the Series relates calculated pursuant to Article 15.1 hereof, and deducting from such amount the liabilities of the relevant Fund to which the Series relates calculated pursuant to Article 15.2 hereof.

14.2 The Net Asset Value of the Shares shall be expressed in the Base Currency of the relevant Series of Shares or in such other currency as the Directors may determine either generally or in relation to a particular Series of Shares or in a specific case, and shall be determined, subject to Article 14.6 hereof, in accordance with the valuation rules set out hereafter, on each Dealing Day subject to the Regulations. Where the Directors have created different Classes within a Series in accordance with Article 4.4 and have determined that (i) each Class or Classes will incur different levels of fees (the details of which shall be set out in the Prospectus); (ii) currency hedging transactions may be entered into in order to hedge any relevant currency exposure of any Class or Classes denominated in a currency other than the Base Currency; (iii) interest rate hedging transactions may be entered into in respect of a specific Class or Classes; or (iv) financial instruments may be utilised on behalf of a specific Class or Classes in accordance with the requirements of the Central Bank, in each case the Administrator shall adjust the relevant Net Asset Value per Class in order to reflect such different levels of fees payable in respect of each such Class and/or the costs and resultant gains/losses of such hedging transactions and/or financial instruments.

14.3 In the event that the Shares in any Fund are divided into different Classes of Shares, the amount of the Net Asset Value of the Company attributable to a Class shall be determined by establishing the number of Shares issued in the Class at the relevant Valuation Point and by allocating the relevant fees and Class expenses to the class, making appropriate adjustments to take account of distribution, subscriptions, redemptions, gains and expenses of that Class and apportioning the Net Asset Value of the Company accordingly. The Net Asset Value per Share in respect of a Class will be calculated by dividing the Net Asset Value of the relevant Class by the number of Shares of the relevant Class in issue. The Net Asset Value of the Company attributable to a Class and the Net Asset Value per Share in respect of a Class will be expressed in the class currency of such Class if it is different to the Base Currency.

14.4 In calculating the Net Asset Value of the Shares:

- (a) where Investments have been agreed to be purchased or sold by the Company but such purchase or sale has not been completed, such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
- (b) every Share agreed to be issued or allotted but not issued by the Company on the relevant Business Day shall be deemed to be in issue and the assets of the Company shall be deemed to include any cash or other property to be received in respect of such Share;
- (c) every Share in respect of which a valid redemption request has been received in accordance with such procedures as are specified in the Prospectus shall be deemed to have been redeemed on the relevant Dealing Day and the assets of the Company shall be reduced by the amount payable to the Shareholders upon such redemption;
- (d) there shall be added to the Company's assets any actual or estimated amount of any taxation of a capital nature which may be recoverable by the Company;
- (e) there shall be added to the Company's assets a sum representing any interest or dividends or other income accrued but not received in respect of such assets;
- (f) there shall be added to the Company's assets the total amount (whether actual or estimated by the Directors) of any claims for repayment of any taxation levied on income of the Company and for double taxation relief in relation to the assets of the Company;
- (g) there shall be added to the Company's assets, the total amount (whether actual or estimated by the Directors) of any realised and/or unrealised gains of the Company in respect of such assets; and
- (h) there shall be added to the Company's liabilities, the total amount (whether actual or estimated by the Directors) of any realised and/or unrealised losses of the Company in respect of such assets.

14.5 In calculating the number of Shares in issue:

- (a) every Share agreed to be issued or allotted but not issued by the Company on the Business Day shall be deemed to be in issue; and
- (b) where notice of a reduction of the share capital by cancellation of Shares has been given by the Directors to the Administrator but such cancellation has not been completed prior to or on the relevant Business Day, the Shares to be cancelled shall be deemed not to be in issue.

14.6 The Directors may at any time, with prior notification to the Depositary, temporarily suspend the issue, valuation, sale, purchase, redemption or conversion of Shares of any Fund, or the payment of redemption proceeds, during:

- (a) any period when any Recognised Market on which a substantial portion of the investments for the time being comprised in the Company are quoted, listed or dealt in is closed otherwise than for ordinary holidays, or during which dealings on any such Recognised Market are restricted or suspended;
- (b) any period when, as a result of political, military, economic or monetary events or other circumstances beyond the control, responsibility and power of the Directors, the disposal or valuation of investments for the time being comprised in the Company cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interests of Shareholders;
- (c) any breakdown in the means of communication normally employed in determining the value of any investments for the time being comprised in the Company or during any period when for any other reason the value of investments for the time being comprised in the Company cannot, in the opinion of the Directors, be promptly or accurately ascertained;
- (d) any period when the Company is unable to repatriate funds for the purposes of making redemption payments or during which the realisation of investments for the time being comprised in the Company, or the transfer or payment of funds involved in connection therewith cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange;
- (e) any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the opinion of the Directors, have an adverse impact on the Company or the remaining Shareholders in the Company;
- (f) any period when the Directors determine that it is in the best interests of the Shareholders to do so.

14.7 Notice of any such suspension shall be published by the Company at its registered office and in such newspapers and through such other media as the Directors may from time to time determine, if in the opinion of the Directors, it is likely to exceed thirty days, and shall be transmitted immediately to the Central Bank and the Shareholders. Shareholders who have requested the issue or redemption of Shares of any Series or Class will have their subscription or redemption request dealt with on the first Business Day after the suspension has been lifted unless applications or redemption requests have been withdrawn prior to the lifting of the suspension. Where possible, all reasonable steps will be taken to bring any period of suspension to an end as soon as possible.

15. Valuation of Assets

15.1 The value of the assets of the Company shall be determined as follows:

- (a) Each asset which is quoted, listed or traded on or under the rules of any Recognised Market shall be valued using the index method of stock valuations in respect of that particular asset which may be the closing bid; last bid; last traded; closing mid-market; or latest mid-market price on the relevant Recognised Market at the relevant Valuation Point. If the investment is normally quoted, listed or traded on or under the rules of more than one Recognised Market, the relevant Recognised Market shall be that which is the main market for the investment. If prices for an investment quoted, listed or traded on the relevant Recognised Market are not available at the relevant time, or are unrepresentative in the opinion of the Directors, such investment shall be valued at such value as shall be estimated with care and in good faith as the probable realisation value of the investment by a competent professional person, firm or corporation appointed for such purpose by the Directors and approved for the purpose by the Depositary. If the investment is quoted, listed or traded on a Recognised Market but acquired or traded at a premium or discount outside of or off the Recognised Market, the investment shall be valued taking into account the level of premium or discount as of the date of valuation of the instrument and the Depositary must ensure the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security. Neither the Directors or their delegates nor the Depositary shall be under any liability if a price reasonably believed by them to be the last known market price may be found not to be such.
- (b) The value of any investment which is not normally quoted, listed or traded on or under the rules of a Recognised Market, shall be valued at its probable realisation value estimated with care and in good faith by the Directors or by a competent person, firm or corporation appointed for such purpose by the Directors and approved by the Depositary.
- (c) Cash in hand or on deposit shall be valued at face value together with accrued interest unless in the opinion of the Directors (in consultation with the Administrator and the Depositary) any adjustment should be made to reflect the fair value thereof.
- (d) Derivative instruments including swaps, interest rate futures contracts and other financial futures contracts which are traded on a Recognised Market shall be valued at the settlement price as determined by the relevant Recognised Market at the relevant Valuation Point, provided that where it is not the practice of the relevant Recognised Market to quote a settlement price, or if a settlement price is not available for any reason, such instruments shall be valued at their probable realisation value estimated with care and in good faith by the Directors or by a competent person, firm or corporation appointed for such purpose by the Directors and approved by the Depositary. The value of forward foreign exchange contracts which are dealt in on a Recognised Market shall be calculated by reference to freely available market quotations.
- (e) Derivative instruments and forward exchange contracts not traded on a Recognised Market shall be valued by the counterparty at least daily. Alternatively, if so disclosed in the Prospectus, derivative instruments not traded on a Recognised Market and forward foreign exchange contracts may be valued daily using an alternative valuation provided by a competent person appointed for the purpose by the Directors and approved for that purpose by the Depositary.
- (f) Certificates of Deposit shall be valued by reference to the latest available sale price for certificates of deposit of like maturity, amount and credit risk on each Business Day or, if such price is not available, at the latest bid price or, if such price is not available or is unrepresentative of the value of such certificate of deposit in the opinion of the Directors, at probable realisation value estimated with care and in good faith by a competent person appointed by the Directors and approved for the purpose by the Depositary. Treasury bills and bills of exchange shall be valued with reference to prices ruling in the relevant markets for such instruments of like maturity, amount and credit risk at close of business on such markets on the relevant Business Day.

(g) Units or shares in collective investment schemes shall be valued on the basis of the latest available net asset value per unit as published by the collective investment scheme. If units or shares in such collective investment schemes are quoted, listed or traded on or under the rules of any Recognised Market then such units or shares will be valued in accordance with the rules set out above for the valuation of assets which are quoted, listed or traded on or under the rules of any Recognised Market. If such prices are unavailable, the units will be valued at their probable realisation value estimated with care and good faith by the Directors or by a competent person, firm or corporation appointed for such purpose by the Directors and approved for such purpose by the Depositary.

(h) Notwithstanding the above provisions the Directors may (a) adjust the valuation of any listed investment where such an adjustment is considered necessary to reflect the fair value in the context of currency, applicable rate of interest, maturity, marketability and/or such other considerations as they deem relevant or (b) in relation to a specific asset permit some other method of valuation approved by the Depositary to be used if they deem it necessary.

(i) Values of assets and liabilities initially expressed in foreign currencies will be converted into the base currency of the relevant Fund using the market rates prevailing at the Valuation Point. If such quotations are not available, the rate of exchange will be determined in accordance with policies established in good faith by the Directors.

15.2 The liabilities of the Company shall be deemed to include any and all actual or estimated liabilities of whatsoever nature of the Company (except liabilities taken into account in determining the value of the assets of the Company under Article 15.1 above) including, without limitation to the generality of the foregoing:

- (a) all administrative and professional fees and expenses payable and/or accrued including, without prejudice to the generality of the foregoing, all remuneration, fees, costs and expenses payable by the Company and/or accrued and/or estimated to be payable by the Company to the Depositary, the Administrator and the legal advisers of the Company and to any other person, firm or corporation providing services to the Company and all other projected expenses as the Directors consider fair and reasonable and properly payable out of the assets of the Company and all value added tax chargeable, if any, in respect of the provision of any of the foregoing services to the Company;
- (b) any and all outstanding borrowings and all accrued interest payable thereon including, without prejudice to the generality of the foregoing, an amount representing the aggregate maximum amount payable by the Company in respect of any debentures, debenture stock, loan stock, loan notes, bonds or other debt obligations created or issued by the Company;
- (c) all bills, notes and accounts payable;
- (d) the total amount of any actual or estimated liabilities for any and all tax of whatsoever nature and howsoever arising on the income or deemed income and realised capital gains of the Company as at the relevant Business Day;
- (e) the total amount of any actual or estimated liabilities for withholding tax (if any) payable on any of the Investments in respect of the current Accounting Period;
- (f) an appropriate provision for all taxes and contingent liabilities as determined from time to time by the Directors; and
- (g) the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable out of the assets of the Company.

15.3 Without prejudice to their general powers to delegate their functions, the Directors may delegate any of their functions in relation to the calculation of Net Asset Values and Net Asset Values per Share to the Administrator or to any duly authorised person. In the absence of bad faith or manifest error, every decision taken by the Directors or any duly authorised person on behalf of the Company in calculating a Net Asset Value or Net Asset Value per Share, shall be final and binding on the Company and on present, past and future Shareholders.

16. Transfer and Transmission of Shares

- 16.1 All transfers of certificated shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.
- 16.2 The instrument of transfer of a certificated share shall be signed by or on behalf of the transferor and need not be signed by the transferee. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof.
- 16.3 A transfer of certificated Shares may not be registered if in consequence of such transfer the transferor or the transferee would hold a number of Shares less than the Minimum Subscription.
- 16.4 The Directors may decline to register any transfer of certificated Shares unless the instrument of transfer is deposited at the registered office of the Company or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The Directors may decline to register a transfer where the transferee would be precluded from holding shares in the Company under the provisions herein contained or where the transferee fails to provide the necessary declarations as to tax residency as may be requested by the Company.

- 16.5 The Directors may decline to register any transfer of certificated Shares unless:
- (a) such purchase or transfer is exempt from registration under, and does not result in a violation of, the 1933 Act or the applicable laws of the US or any US state and otherwise complies with the applicable requirements of any US state;
 - (b) any purchaser or transferee that is a US Person is a “qualified purchaser” as defined in the 1940 Act and the rules promulgated thereunder and an “accredited investor” as defined in Regulation D under the 1933 Act;
 - (c) such purchase or transfer would not be reasonably expected to result in the Company or any fund being required to register under the 1940 Act;
 - (d) there will be no adverse tax, pecuniary, legal, regulatory or material administrative disadvantage to the Company (including any Fund) or its shareholders as a whole as a result of such a purchase or transfer;
 - (e) such purchase or transfer would not cause a violation of, or require the Company or any fund to register under the 1934 Act;
 - (f) such transferee has supplied the relevant information or declarations required by the Directors within seven (7) days of a request to do so being sent by the Directors (as provided in Article 9 hereto); and
 - (g) as a result of such transfer, the transferee shall hold shares with a value which is equal to or more than the Minimum Subscription.
- 16.6 If the Directors decline to register a transfer of any Share they shall, within one month after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
- 16.7 A transfer of a Share in dematerialised form shall be made in accordance with and subject to the Securities Regulations and the facilities and requirements of the Relevant System and in accordance with any arrangements made by the Board pursuant to Article 6.
- 16.8 The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, **PROVIDED ALWAYS** that such registration of transfers shall not be suspended for more than thirty days in any year.
- 16.9 All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 16.10 In the case of the death of a Member, the survivors or survivor where the deceased was a joint holder, and the executors or Administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the Company as having title to his interest in the shares, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any share solely or jointly held by him.
- 16.11 Any guardian of an infant Member and any guardian or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the share or to make such transfer thereof as the deceased or bankrupt Member could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the share by the infant or by the deceased, insolvent or bankrupt Member before the death, insolvency or bankruptcy or by the Member under legal disability before such disability.
- 16.12 A person so becoming entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall have the right to receive and may give a discharge for all

monies payable or other advantages due on or in respect of the share, but he shall not be entitled to vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share **PROVIDED ALWAYS** that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the share until the requirements of the notice have been complied with.

17. Hedging Powers

17.1 Subject to the provisions of the Regulations, the Directors may exercise all the powers of the Company to employ techniques and instruments for hedging and efficient portfolio management purposes in relation to the Investments or any of them or any other assets or any borrowing by the Company.

17.2 Without limitation to the generality of Article 17.1, the Directors, on behalf of the Company, may, subject to the provisions of the Regulations, employ techniques and instruments intended to provide protection against exchange risks in the context of the management of its assets and liabilities.

18. General Meetings

18.1 General meetings of the Company may be held in Ireland or elsewhere in accordance with Section 176 of the Act.

18.2 The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the Company and that of the next provided that so long as the Company holds its first annual general meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation.

18.3 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.

18.4 The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists being holders of Subscriber Shares, and in such manner as provided by the Act.

19. Notice of General Meetings

19.1 At least twenty one Clear Days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions of the Act or the conditions of issue of the Shares held by them entitled to receive notices from the Company, provided however that an extraordinary general meeting at which no Special Resolution is to be considered may be convened on not less than fourteen Clear Days' notice.

19.2 The Directors, the Manager, the Depositary, the Administrator, the Investment Manager and the Auditors shall be entitled to receive notice of and attend and speak at any general meeting of the Company.

19.3 In every notice calling a meeting of the Company, there shall appear with reasonable prominence a statement that a Shareholder entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Shareholder.

19.4 The accidental omission to give notice to or the non-receipt of notice by any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

19.5 Notices of general meeting may be sent to Shareholders by post, telefax, e-mail or any other such means.

20. Proceedings at General Meetings

20.1 All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting with the exception of the consideration of the accounts and the reports of the Directors and Auditors, the election of Directors in the place of those retiring, the re-appointment of the Auditors and the fixing of the remuneration of the Auditors.

20.2 No business shall be transacted at any general meeting unless a quorum is present.

20.3 In respect of a general meeting of the Company, provided that both ETF Shares and Non-ETF Shares are in issue and except as provided in relation to an adjourned meeting in Article 20.5 below, two persons entitled to vote upon the business to be transacted, each being a Shareholder or a proxy for a Shareholder or a duly authorised representative of a corporate Shareholder, shall be a quorum. In the event that only ETF Shares are in issue, one person present in person or by proxy shall be a quorum. In the event that only Non-ETF Shares are in issue, two people present in person or by proxy shall be a quorum.

20.4 In respect of a general meeting of a Fund: (a) for a Fund with only ETF Shares in issue, one person present in person or by proxy shall be a quorum; (b) for a Fund with both ETF and Non-ETF Shares in issue, two persons present in person or by proxy shall be a quorum, except as provided in relation to an adjourned meeting in Article 20.5 below; (c) for a Fund with only Non-ETF Shares in issue, two persons present in person or by proxy shall be a quorum, except as provided in relation to an adjourned meeting in Article 20.5 below.

20.5 If within half an hour after the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine. One Shareholder present either in person or by proxy shall be a quorum for any such adjourned meeting. If within half an hour from the adjourned meeting, a quorum is not present, the meeting shall be dissolved.

20.6 The chairman or, if absent, the deputy chairman of the Directors, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or, if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman or if no Directors be present, or if all the Directors present decline to take the chair, the Shareholders present either in person or by proxy shall choose some other person present to be chairman.

20.7 The Chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more than ten Clear Days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at the adjourned meeting.

20.8 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or by any Shareholder present in person or by proxy. Unless a poll is so demanded, a declaration by the Chairman that a resolution

has, on a show of hands, been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution. A demand for a poll may be withdrawn.

- 20.9 If a poll is demanded, a poll shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 20.10 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- 20.11 In the case of an equality of votes the chairman of the meeting at which the poll takes place shall be entitled to a second or casting vote.
- 20.12 A poll on the election of a chairman and a poll on a question of adjournment shall be taken forthwith. A poll on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- 20.13 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 20.14 A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- 20.15 Subject to Section 193 of the Act, a resolution in writing signed by all the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly appointed representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held and, if described as a Special Resolution, shall be deemed to be a special resolution within the meaning of the Act. Any such may consist of several documents in the like form each signed by one or more of the Shareholders.

21. Votes of Shareholders

- 21.1 Subject to any special rights or restrictions for the time being attached to any Series or Class of Shares with the prior approval of the Central Bank, on a poll, each Shareholder shall be entitled to such number of votes as shall be produced by dividing the aggregate net asset value of that Shareholder's shareholding (expressed or converted into US Dollars and calculated as of the relevant record date) by one. The Subscriber Shareholders and Capitalisation Shareholders shall have one vote for each Subscriber Share or Capitalisation Share held respectively. The "relevant record date" for these purposes shall be a date being not more than thirty days prior to the date of the relevant general meeting or written resolution as determined by the Directors. On a show of hands, every Shareholder present in person or by proxy or, if the Shareholder is a body corporate, present by a duly authorised representative, shall have one vote. In relation to a resolution which in the opinion of the Directors affects more than one Series or Class of Shares, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Shareholders of such Series or Class of Shares, such resolution shall have been passed at a separate meeting of the Shareholders of each such Series or Classes.
- 21.2 In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.

- 21.3 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 21.4 On a poll votes may be given either personally or by proxy.
- 21.5 On a poll, a Shareholder entitled to more than one vote need not, if he votes, cast all his votes or cast all the votes he is entitled to in the same way.
- 21.6 The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. An instrument of proxy shall be in the usual form or in such form as the Directors may approve provided always that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- 21.7 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.
- 21.8 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the Office either by post, telefax, e-mail or any other such means or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the Company not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting or the taking of a poll at which the person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid.
- 21.9 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- 21.10 The Directors may, at the expense of the Company, send, by post or otherwise, to the Shareholders instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any Class of Shareholders, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Shareholders entitled to be sent a notice of the meeting and to vote thereat by proxy.
- 21.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the Shares in respect of which the instrument of proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the Office before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- 21.12 Any body corporate which is a Shareholder or creditor of the Company may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at any meeting of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Shareholder and such body corporate shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- 21.13 With regard to the respective rights and interests of Shareholders of different Series and/or different Classes, the foregoing provisions of these Articles shall have effect subject to the following modifications:

- (a) a resolution which in the opinion of the Directors affects one Series or Class of Shares shall be deemed to have been duly passed if passed at a separate meeting of the Shareholders of that Series or Class;
- (b) a resolution which in the opinion of the Directors affects more than one Series or Class of Shares but does not give rise to a conflict of interests between the Shareholders of the respective Series or Classes shall be deemed to have been duly passed if passed at a single meeting of the Shareholders of those Series or Classes;
- (c) a resolution which in the opinion of the Directors affects more than one Series or Class of Shares and gives or may give rise to a conflict of interests between the Shareholders of the respective Series or Classes shall be deemed to have been duly passed only if, in lieu of being passed at a single meeting of the Shareholders of those Series or Classes, such resolution shall have been passed at a separate meeting of Shareholders of each such Series or Class; and
- (d) to all such meetings as aforesaid all the provisions of these Articles shall, mutatis mutandis, apply as though references therein to Shares and Shareholders were references to the Shares of the Series or Class in question and to the Shareholders for the time being of such Series or Classes respectively.

22. Directors

- 22.1 Unless otherwise determined by the Shareholders by Ordinary Resolution, the number of the Directors shall not be less than two nor more than nine. The first Directors shall be appointed by the subscribers to these Articles.
- 22.2 A Director need not be a Shareholder.
- 22.3 The Directors shall have power at any time and from time to time to appoint any person in accordance with the requirements of the Central Bank to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.
- 22.4 The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine provided always that the amount of the remuneration payable to the Directors in accordance with this Article 22.4 in any one year shall not exceed €40,000 per annum per Director (or its equivalent) or such other amount as the Directors may from time to time determine (with each Director abstaining in respect of any resolution relating to that Director's remuneration) and disclose to the Shareholders. Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Board or general meetings or Class meetings of the Company or any other meetings in connection with the business of the Company.
- 22.5 The Directors may in addition to such remuneration as is referred to in Article 22.4 of these Articles grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the Company in general meeting.
- 22.6 Any Director may at any time by writing under his hand and deposited at the Office, or delivered at a Board meeting, appoint any person (including another Director) to be his alternate Director and may in like manner at any time terminate such appointment.
- 22.7 The appointment of an alternate Director shall terminate on the happening of any event which if he were a Director would cause him to vacate such office or if his appointor ceases to be a Director.
- 22.8 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the

Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he, instead of his appointor, were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative provided however that he shall count as one for the purposes of determining a quorum. If his appointor is for the time being temporarily unable to act his signature to any resolution in writing of the Directors and for the purposes of affixing the Seal or the Official Seal shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Board, the foregoing provisions of this Article 22.8 shall also apply mutatis mutandis to any meeting of any such committee of which his appointor is a member. An alternate Director shall not, save as aforesaid or as otherwise in these Articles provided, have power to act as a Director nor shall he be deemed to be a Director for the purposes of these Articles. If the Director appointing an alternate shall die or otherwise cease to hold the office of director, the appointment of the alternate hereunder shall thereupon cease and terminate.

- 22.9 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct.
- 22.10 The office of a Director shall be vacated on any of the following events namely:
- (a) if he resigns his office by notice in writing signed by him and left at the Office;
 - (b) if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
 - (c) if he becomes of unsound mind;
 - (d) a declaration of restriction is made in relation to the Director and the Company does not satisfy the capital requirements prescribed in section 819 of the Act;
 - (e) a declaration of restriction is made in relation to the Director and, notwithstanding that the Company satisfies the capital requirements prescribed in section 819 of the Act, his or her co-Directors resolve at any time during the currency of the declaration that his or her office be vacated;
 - (f) if he ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of, an order made under the provisions of any law or enactment;
 - (g) if he be requested by a majority of the other Directors (not being less than two in number) to vacate office; or
 - (h) if he is removed from office by an Ordinary Resolution, and
 - (i) the application of section 148(2) of the Act shall be modified accordingly.
- 22.11 Subject to the provisions of Section 235 of the Act no Director or other officer of the Company shall be liable for the acts, receipts, neglects or defaults of any other Director or officer or for joining in any receipt or other act for conformity or for any loss of expenses happening to the Company through the insufficiency or deficiency of title to any property acquired for or on behalf of the Company or for the insufficiency or deficiency of any security in or upon which any of the monies of the Company shall be invested or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person with whom any monies, securities or effects shall be deposited or any

other loss, damage or misfortune whatsoever which may happen in the execution of the duties of his office or in relation thereto.

23. Transactions with Directors

- 23.1 A Director may hold any other office or place of profit under the Company (other than the office of Auditor) in conjunction with his office of Director and may act in a professional capacity to the Company, on such terms as to remuneration and otherwise as the Directors may determine.
- 23.2 Subject to the provisions of the Act, and provided that he has disclosed to the Directors the nature and extent of any material interest of his prior to the conclusion of such transaction, a Director notwithstanding his office:
- (a) may be a party to, or otherwise interested in, any transaction or arrangement with the Company or in which the Company is interested; and
 - (b) shall not be accountable, by reason of his office, to the Company for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any body corporate which enters into any such transaction or arrangement and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.
- 23.3 No Director or intending Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser, professional adviser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the Company in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established, but the nature of his interest must be declared by him at the Board meeting at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement, then at the next Board meeting held after he becomes so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, then at the first Board meeting held after he becomes so interested. A general notice in writing given to the Directors by any Director to the effect that he is a shareholder, officer or employee of any specified company or a partner or employee in any specified firm, and is to be regarded as interested in any contract or arrangement which may thereafter be made with that company or firm, shall be deemed a sufficient declaration of interest in relation to any contract or arrangement made.
- 23.4 For the purposes of this Article 23:
- (a) a general notice in writing given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified;
 - (b) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his; and
 - (c) an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointor shall be treated as an interest of the alternate Director.
- 23.5 Save as otherwise provided by the provisions of this Article 23 and unless the majority of the Directors acting through the Board otherwise determine, a Director shall be entitled to vote at any Board meeting or a committee of the Board in respect of any

contract or arrangement or any proposal whatsoever in which he has any material interest and be counted in the quorum in respect of any resolution concerning any such contract, arrangement or proposal including, without limitation to the generality of the foregoing, any resolution concerning any of the following matters, namely:

(a) the giving of any security, guarantee or indemnity to him in respect of money lent or obligations incurred by him at the request of or for the benefit of the Company or any of its subsidiaries;

(b) the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the Company or any of its subsidiaries for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;

(d) any proposal concerning any other company or firm in which he is interested, directly or indirectly and whether as an officer, shareholder, partner, employee, agent or otherwise howsoever.

- 23.6 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employment with the Company or any company in which the Company is interested, such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his own appointment.
- 23.7 If any question shall arise at any Board meeting or of a committee of Board as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned has not been fairly disclosed.
- 23.8 The Shareholders may by Ordinary Resolution suspend or relax the provisions of Articles 23.5 to 23.7 inclusive to any extent or ratify any transaction not duly authorised by reason of a contravention thereof.
- 23.9 Any Director may act by himself or through his firm in a professional capacity for the Company, and he or his firm shall be entitled to remuneration for professional services as if he were not a Director, provided that nothing herein contained shall authorise a Director or his firm to act as Auditor.
- 23.10 The Directors may from time to time appoint one or more of their body to be the holder of any executive office on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may at any time revoke such appointment.
- 23.11 The Directors may entrust to and confer upon any Director holding any executive office any of the powers exercisable by them as Directors upon such terms and conditions and with such restrictions as they think fit, and either collaterally with or to the exclusion of their own powers, and may from time to time revoke, withdraw, alter or vary all or any of such powers.
- 23.12 Any Director may continue to be or become a director, managing director, manager or other officer or shareholder of any company promoted by the Company or in which the Company may be interested or associated in business, and no such Director shall be accountable for any remuneration or other benefits received by him as a director, managing director, manager, or other officer or shareholder of any such other company. The Directors may exercise the voting power conferred by the shares in any other

company held or owned by the Company or exercisable by them as directors of such other company, in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, managers or other officers of such company, or voting or providing for the payment of remuneration to the directors, managing directors, managers or other officers of such company).

24. Powers of Directors

24.1 The business of the Company shall be managed by the Directors, who may exercise all such powers of the Company as are not by the Act or by these Articles required to be exercised by the Company in general meeting, but no regulations made by the Company in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulations had not been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Directors by this or any other Article.

24.2 All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the Company, and all other receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

(a) to invest its assets mainly in the securities of issuing bodies having their registered offices in a State which is not a Member State, where under the legislation of that State such a holding represents the only way in which the Company can invest in the securities of issuing bodies of that State. This derogation, however, shall apply only if the Subsidiary is incorporated in that State and its investment policy complies with the limits laid down in the Regulations; or

(b) to carry on only the business of management, advice or marketing in the country where the subsidiary is located, in regard to the redemption of units at unit-holders' request exclusively on their behalf.

(c) All of the shares of a Subsidiary shall be held by the Depositary or its nominee for the account of the Company and all assets of the Subsidiary shall be held by the Depositary or its nominee for the account of the Subsidiary.

- 26.11 All acts done by any meeting of Directors, or of a committee of Directors or by any person acting as a Director or authorised by the Directors shall, notwithstanding it be afterwards discovered that there was some defect in the appointment of any such Directors or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.

26.14 Any Director may participate in a Board meeting by means of a conference telephone or other telecommunication equipment by means of which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting and such meeting shall be deemed to have been convened in the place from which the conference telephone call or similar telecommunication is initiated provided always that the quorum must be constituted in accordance with Article 26.3.

27.1 The Directors may from time to time appoint one or more of their body to the office of "Managing Director" to act as managing director of the Company and (subject to the restriction on the maximum aggregate remuneration payable to the Directors under Article 22.4) may fix his or their remuneration.

27.2 Every Managing Director shall be liable to be dismissed or removed from his position as Managing Director by the Directors and another person appointed in his place. The Directors may, however, enter into an agreement with any person who is or is about to become a Managing Director with regard to the length and terms of his employment, but so that the remedy of any such breach of such agreement shall be in damages only and he shall have no right or claim to continue in such office contrary to the will of the Directors or of the Company in general meeting.

28. Secretary

28.1 The Secretary shall be appointed by the Directors. Anything required or authorised to be done by or to the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by or to any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting, by or to any officer of the Company authorised generally or specially in that behalf by the Directors provided that any provisions of the Act or these Articles requiring or authorising anything to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

29. The Seal

29.1 The Directors shall provide for the safe custody of the Seal. The Seal shall be used only by the authority of the Directors or of a committee of Directors authorised by the Directors in that behalf or a Director and the Depositary where the Seal is being affixed to share certificates. The Directors may from time to time as they see fit determine the persons and the number of such persons who shall authenticate the affixing of the Seal, and until otherwise so determined the affixing of the Seal shall be authenticated by two Directors or by one Director and the Secretary, or some other person duly authorised by the Directors, and the Directors may authorise different persons for different

purposes. In the case of affixing the Seal to share certificates, this may be done by one Director and the Depositary.

29.2 Every certificate of title to shares, stocks, debenture stock or any other security of the Company (other than letters of allotment, scrip certificates and other like documents) shall be issued under the Seal or under the Official Seal kept by the Company.

(e) deduction of the amount of any tax or other estimated or actual liability properly payable out of the income of the Company;

(f) deduction of a sum representing participation in income paid upon the cancellation of Shares during the Accounting Period;

(g) deduction of such sum as the Company with the approval of the Auditors may think appropriate in respect of the Preliminary Expenses and Duties and Charges, including, without limitation, all fees and expenses payable to the Manager, Administrator, the Depositary and the Investment Manager and all expenses of and incidental to any amendments to the Memorandum and Articles of Association for the purpose of securing that the Company conforms to legislation coming into force after the date of incorporation hereof and any other amendments made pursuant to a resolution of the Company, expenses comprising all costs, charges, professional fees and disbursements bona fide incurred in respect of the computation, claiming or reclaiming of all taxation reliefs and payments, and any interest paid or payable on borrowings provided always that the Company shall not be responsible for any error in any estimates of corporation tax repayments or double taxation relief expected to be obtained or of any sums payable by way of taxation or of income receivable, and if the same shall not prove in all respects correct, the Directors shall ensure that any consequent deficiency or surplus shall be adjusted in the Accounting Period in which a further or final settlement is made of such tax repayment or liability or claim to relief or in the amount of any such estimated income receivable, and no adjustment shall be made to any dividend previously declared;

(h) deduction of any amounts declared as a distribution but not yet distributed; and

(i) deduction of any amounts which the Directors in their sole and absolute discretion determine to be re-invested in Investments for the benefit of the Company.

- 30.5 The Directors may, with the sanction of an Ordinary Resolution, distribute in kind among Shareholders, by way of dividend or otherwise, any of the assets of the Company.
- 30.6 All Shares shall, unless otherwise determined by the Directors, rank for dividend as from the beginning of the Accounting Period in which they are issued and the Directors may introduce, if they so determine, equalisation arrangements designed to ensure an appropriate treatment of dividends payable on Shares. Such equalisation arrangements may require Shareholders, upon subscription, to make an equalisation payment, to be distributed to such Shareholders at a subsequent distribution date.
- 30.7 Any resolution of the Directors declaring a dividend may specify that the same shall be payable to the persons registered as the holders of those Classes of Shares entitling the holders thereof to receipt of such a dividend at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the right inter se in respect of such dividend of transferors and transferees of Shares.
- 30.8 The Company may transmit any dividend or other amount payable in respect of any Share by electronic means or by cheque or warrant sent by ordinary post to the registered address of the holder, or, in the case of joint holders, of one of them or to such person and address as the holder or joint holders may direct, and shall not be responsible for any loss arising in respect of such transmission. A dividend or other amount payable in respect of a share in dematerialised form may also be paid by means of the Relevant System if the Directors decide and the person or persons entitled to the payment has or have given written authority for the payment to be made by the Relevant System.
- 30.9 No dividend or other amount payable to any holder of Shares shall bear interest against the Company. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the Company until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a Share into a separate account shall not constitute the Company a trustee in respect thereof. Any dividend unclaimed after six years from the date when it first became payable shall be forfeited automatically, without the necessity for any declaration or other action by the Company.

- 30.10 At the option of any Shareholder entitled to dividends, the Directors may apply all dividends declared on the Shares held by such Shareholder towards the issue of additional Shares in the Company to that Shareholder at their Net Asset Value per Share as at the date on which such dividends are declared and on such terms as the Directors from time to time may resolve.
- 30.11 The Directors may provide that Shareholders will be entitled to elect to receive in lieu of any dividend (or part thereof) an issue of additional Shares credited as fully paid and subject to the following provisions:
- (a) the number of additional Shares (excluding any fractional entitlement) to be issued in lieu of any amount of dividend shall be equal in value to the amount of such dividend at the date the dividend was declared;
 - (b) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect of which the Share election has been duly exercised ("Elected Shares"), and in lieu thereof additional Shares shall be issued to the holders of the Elected Shares on the basis determined aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividend in respect of which elections have been made and apply the same in paying up in full the appropriate amount of unissued Shares;
 - (c) the additional Shares so issued shall rank *pari passu* in all respects with the fully-paid Shares of the relevant Class then in issue save only as regards participation in the relevant dividend (or Share election in lieu);
 - (d) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provision as they think fit in the case of Shares becoming distributable in fractions so that fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the Company or the Company issues Fractional Shares; and
 - (e) the Directors may on any occasion determine that rights for election shall not be made available to any Shareholder with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in any such event, the provisions aforesaid shall be read and construed subject to such determination.

34. Winding Up

34.1

(a) If the Company shall be wound up the liquidator shall subject to the provisions of the Act apply the assets of the Company in such manner and order as he thinks fit in satisfaction of creditors' claims. The liquidator shall, in relation to the assets available for distribution among the Shareholders, make in the books of the Company such transfers thereof as may be necessary in order that the effective burden of such creditors' claims may be shared between the holder of Shares of different classes in such proportions as the liquidator in his absolute discretion may think equitable.

(b) The assets available for distribution among the Shareholders shall then be applied in the following priority:

(i) First, in the payment to the holders of the Shares of each series of a sum in the currency in which that series is designated (or in any other currency selected by the liquidator) as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the Shares of such series held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available in the Company to enable such payment to be made. In the event that, as regards any series of Shares, there are insufficient assets available in the Company to enable such payment to be made recourse shall be had to the payment to the holders of each series of Shares of any balance then remaining in the Company, such payment being made in proportion to the number of Shares of that series held.

(ii) Secondly, in the payment to the holders of the Subscriber Shares and Capitalisation Shares of sums up to the nominal amount paid thereon out of the assets of the Company not comprised remaining after any recourse thereto under sub-paragraph (i) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets of the Company.

(iii) Thirdly, in the payment to the holders of each series of Shares of any balance then remaining in the Company, such payment being made in proportion to the number of Shares of that series held.

34.2 If the Company shall be wound up (whether the liquidation is voluntary, under supervision or by the Court) the liquidator may, with the authority of a special resolution and any other sanction required by the Act, divide among the Shareholders in specie the whole or any part of the assets of the Company, and whether or not the assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Shareholders or different classes of Shareholders. Shareholders may request that assets which are to be distributed to them in specie will be first liquidated to cash and, in such circumstances, the costs of any sale of assets can be charged to the relevant Shareholders. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Shareholder shall be compelled to accept any assets in respect of which there is liability.

35.4 The Company, the Manager, the Directors, the Depositary, the Administrator, the Investment Manager and any other service provider to the Company shall each incur no liability to the Shareholders for doing or (as the case may be) failing to do any act or thing which by reason of any provision of any present or future law or regulation made pursuant thereto, or of any decree, order or judgment of any court, or by reason of any request, announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise) either they or any of them

shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out any of the provisions hereof neither the Company, the Manager, the Depositary, the Administrator, the Investment Manager nor any other service provider shall be under any liability therefor or thereby. This Article shall not, however, exempt the Company, the Manager, the Depositary, the Administrator or the Investment Manager from any liability any of them may incur as a result of a failure to adhere to their obligations as set out in the Regulations or any liability incurred as a result of any fraud on the part of the Company, the Manager, the Administrator, the Investment Manager or the Depositary.
