Please note that Shares in each of the funds referred to above will remain listed on at least one European stock exchange. Details of the stock exchanges where listings will be maintained are set out in the Appendix.

Please note that each Share Class will remain open for dealing notwithstanding the Delisting and there will be no impact on how each fund of the Share Classes is managed.

It should be noted that the Delisting applies only to the Share Classes listed in this letter and does not affect shareholdings in any other share classes of sub-funds of the Company.

Procedure for Delisting

From the date of this letter up to (but excluding) the Delisting Date, you can continue to buy and sell Shares in the Share Classes on the stock exchanges on which they are listed. Following the relevant Delisting Date, you can continue to hold Shares in the Share Classes that have been delisted but you will no longer be able to sell those Shares on the stock exchanges from which they will be delisted. You will be able to sell those Shares on any of the remaining stock exchanges but there may be additional costs associated with using another stock exchange.
